Dear Parents,

Thank you for your interest in joining the Little Strikers Academy.

We are very excited and delighted with the progress we have had within our first year of being a club. Currently we have 4 of our own Futsal teams (and growing) entering in the Futsal Oz Youth leagues at Mt Evelyn on Fridays afternoon/evenings. We are extremely proud of how far the kids have come and how much their ball and team skills have improved. We feel this will give our young football superstars a pathway to learn and grow within the game.

But we are even more excited that we are bringing Futsal to Healesville! Due to the overwhelming interest in the game and Mt Evelyn not having enough spaces for all our teams we have decided to run a competition closer to home! This is a great pathway to get started in learning the game and build on skills for later. We are starting off our Competition with an U8's and U10's league. We are hoping to grow to have more age groups in the competition and currently have names on a waiting list. Age groups for the future will be U12's, U14's right up to a Mens, Womens and Mixed league.

LS Academy opens a lot of opportunities for the young ones to learn about being part of a team, working together and working towards a goal.

Games will be played at the Healesville High School Basketball Stadium (currently where Little Strikers sessions are run) on Saturday mornings at 9am Starting Saturday 13th October 2018 and will be played same time every Saturday for the duration of Term 4.

In order to get this competition up and running we will need to confirm numbers for teams asap. Each team will require a minimum of 6 players, anyone is welcome to join so please recruit some friends!

Teams will require a parent coach to help with substitutions and games will be refed and guided by Steven and Courtney. All scores will be recorded along with goal scorers and will look to run a finals series at the end of the term. All teams will have playing tops which will help them look and feel part of their team.
